

Influential Relative

By: Reese Mitria

Who is your relative?

My Influential relative is my aunt Taylor.

She is an influential relative towards me because she

Is a very kind and helpful person. She helped me learn

How to wakeboard, wakesurf, and helped me learn

A bunch of other sports.

When did this individual live?// Where do they live.

My aunt Taylor was born in 1989 and is still alive today. She is almost 30 years old. My aunt Taylor lives in downers grove, but she taught me about all of the water sports in Lake Geneva.

Why did she help me?//How long did it take?

My aunt Taylor helped me because she wanted to show me the basics of water sports, which ended up having a big impact upon me because I love water sports. When she taught me to wakeboard, it took me about an hour to learn. When she taught me how to wakesurf, it took me about 2 days to learn.
